ACTIVITIES

**WE'RE
NUMBER**

STUDENT ACTIVITY COUNCIL

School Chairmen with S. Virginia Lake.

SAC is Bishop Kearney's governing body. Through this group of representatives the entire school finds its voice. The student government is a forum for the ideas and attitudes of the Kearney community. These girls, along with their moderators and the administration, coordinate many events throughout the school year.

- 1 Senior Chairmen
- 2 Senior Reps
- 3 Student Faculty Commission
- 4 Freshmen Chairmen
- 5 Sophomore and Junior Members of SAC
- 6 Freshmen Reps

NATIONAL HONOR SOCIETY

Moderator, Sr. Patricia Heiser with National Honor Society officers: Jacqueline Williams, Maria Longo and Joanne Ott

The National Honor Society of Bishop Kearney is more than just a gathering of good students. These girls have pledged themselves to uphold certain standards of scholarship. They also agree to be of service to their community and those in the world around them.

SAY AH HH

The medical profession will be greatly enhanced when the girls of the Future Nurses and Physicians Club join its ranks. Right now they are learning the basics of certain medical procedures and becoming acquainted with their future careers. Sister Ann Margaret is the moderator.

I DIDN'T THINK IT WAS SUPPOSED TO EXPLODE

What do you think of when you hear the word laboratory? A mad scientist concocting some evil potion? A plot to destroy the world? Well, the members of the Science Research Club do not fit any of these imaginings. Instead, they are given a solid background in scientific techniques. Mr. J. Sequeira, moderator.

***MR.
PRESIDENT,
I HAVE A
QUESTION***

Sr. Mary Annette with members of Close-up

Mr. Reibaldi with members of the Speech Team

***TALK, TALK,
TALK***

COVER GIRLS

Look closely, one of these girls might be the next Cheryl Tiegs. Right now they belong to the Fashion Board where they are learning the basics of etiquette and timeless dressing.

We live so close to some of the most exciting, interesting places in the world. Mr. Palmeri and the members of the Manhattan Club decided to take advantage of this. Once a month, the girls visit plays, museums and other events which take place in the Big Apple.

FUN CITY-HERE WE COME!

FIRE IT UP

Mr. Palmeri with members of the
Ceramics Club

Have you ever felt the urge to create something with your own hands? Well, the girls in these clubs do that every week. From common materials, the girls are able to make works of art.

LOOK WHAT I MADE

Miss Razza with the members of the
Arts and Crafts Club

PLIES AND UP

Miss Shannon with members of the Ballet Club

1-2-3
1-2-3

Sr. Anna Marie Macklin with
members of the Dance Club

SING AND STRUM

Both the Folk Group and Guitar Club add music to the atmosphere at Kearney. The accomplishments of these two groups make the liturgies more interesting and enjoyable. Their work is one of the many important services these clubs perform.

Sr. Marie Sullivan with members of the Folk Group

Sr. Marie Sullivan with members of the Guitar Club.

Many times, a person feels the need to talk. Insight-Out is a place where a person can go to try and solve her problems. It is also an opportunity to learn more about personal feelings and those of other people.

.... AND
HE SAID
"FOLLOW
ME"

Sr. Louise Attanasio with members of Christian Awakening

Sr. Marie Sullivan with
members of the Prayer
Group

***BUT I CAN'T
EVEN BOIL WATER***

That statement is not true of the cooks in this club. These future Cordon Bleu chefs not only cook well but learn the basics of good nutrition.

SHSHH, THIS IS A LIBRARY

Sr. Jean Timothy with members of Inner Circle.

N'EST — CE PAS?

Sr. Josephine Barbieri with members of the Language Club.

CHECK MATE

Almost everyone has played a board game sometime in her life. The members of the Math and Board Games Club can be considered experts. Every week they gather to test their skills at checkers, chess, backgammon, math puzzles and other games.

76 TROMBONES

Strike up the band! Hear that music! The Bishop Kearney Band is all tuned up to perform. Under the careful instruction of Miss Corcoran the girls learn the fundamentals of various instruments. They also exhibit their talents in performances.

DO RE MI

The Glee Club possesses many fine voices. During the year these voices may be heard at several public performances. They have reached their level of expertise with the help of moderator, Sr. Claire Cecelia.

FAME!!!

No, these aren't professional actors but the mistake is a common one. These people belong to the B.K. Drama Club. With the help of moderator, Mr. Reibaldi, the girls enchant audiences with various plays and revues.

***A PICTURE
IS WORTH A
THOUSAND
WORDS***

These girls obviously believe that. Every week the members of the Photography Club learn a little more about the technique of taking pictures. Under the direction of Sr. Peggy Fanning they also try to apply this knowledge.

OLGA KOR BUT- WATCH OUT

Miss Hynes with
members of the
Gymnastics Squad.

A KEY TO OUR COMMUNITY

Sr. Virginia Lake
with members of
the Key Club.

LET IT SNOW

Skiing is an exciting sport, growing in popularity. The Ski Club tries to prepare the girls for skiing experiences and organizes trips for them.

TAKE ME TO YOUR LEADER

Mrs. Natale with
the Gym Leaders.

***PSST —
DID YOU
HEAR***

The Word is Bishop Kearney's literary magazine. Contributions of poems and stories are welcome from all students. The publication is then enjoyed by the entire student body.

1 + 1 = 3

Miss Razza with members of the Math Team.

**EXTRA!
EXTRA!
READ ALL
ABOUT IT.**

The Trumpet is B.K.'s own version of the news breakers. The Trumpet staff works to gather the school news and write relevant articles. In the future we'll have to check **Times** by-lines for former **Trumpet** reporters.

**FOLLOW
ME
PLEASE . . .**

Sr. Virginia Lake with members of Usher's Club.

OH NO,

***NOT
ANOTHER
GUTTER BALL***

Many students at Bishop Kearney enjoy bowling. So many, in fact, that it is necessary to form two groups. Both these groups enjoy themselves once a week at the Avenue M Lanes. And there really aren't that many gutter balls.

SPLISH

SPLASH

Sr. Saint Timothy with members of the Swim Team.

Miss Hynes with members of the Track Team.

***DID I
BREAK
THE

STRIKE THREE . .

... is something seldom heard when the B.K. Tigers take the field. The combination of Mr. Russo's coaching and the girls' talent has consistently produced a winning team.

40 - LOVE

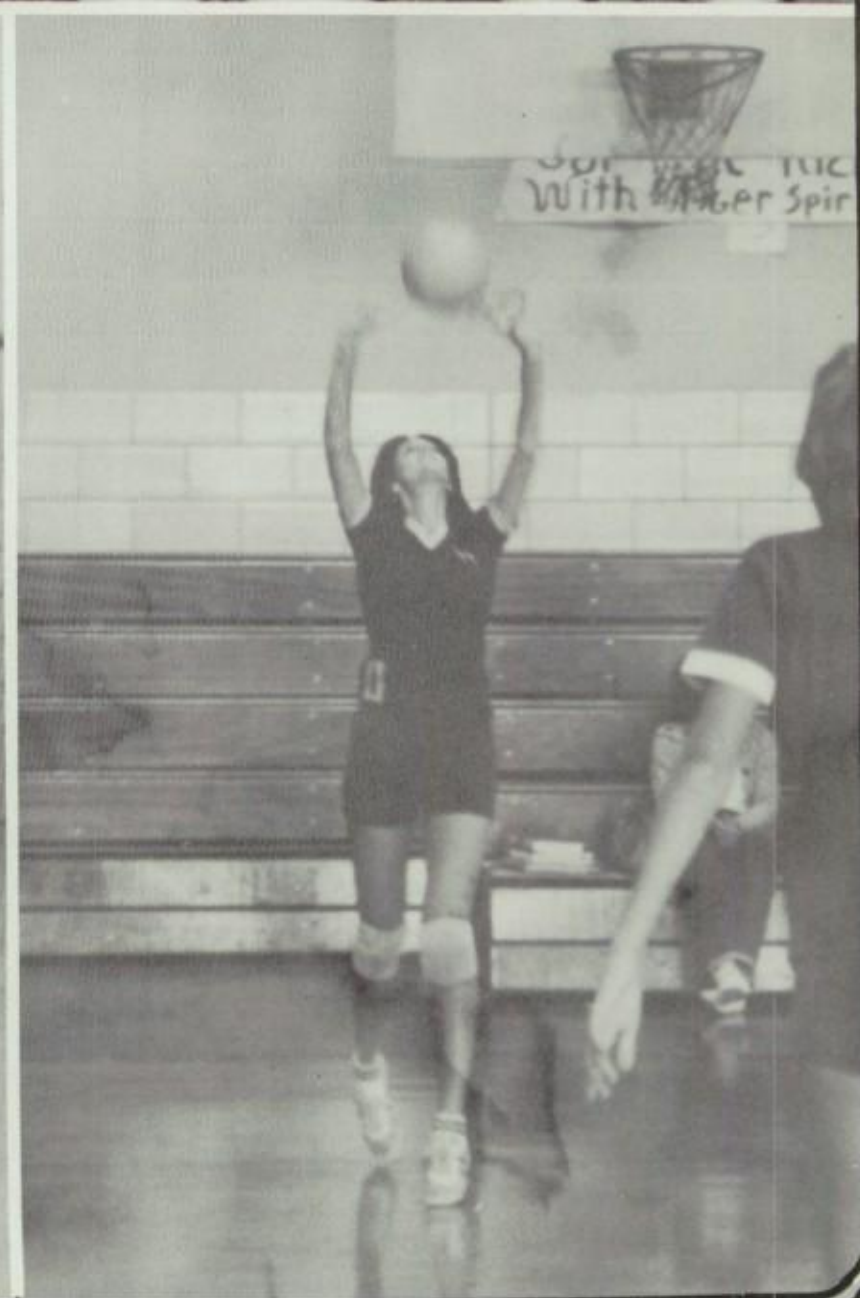

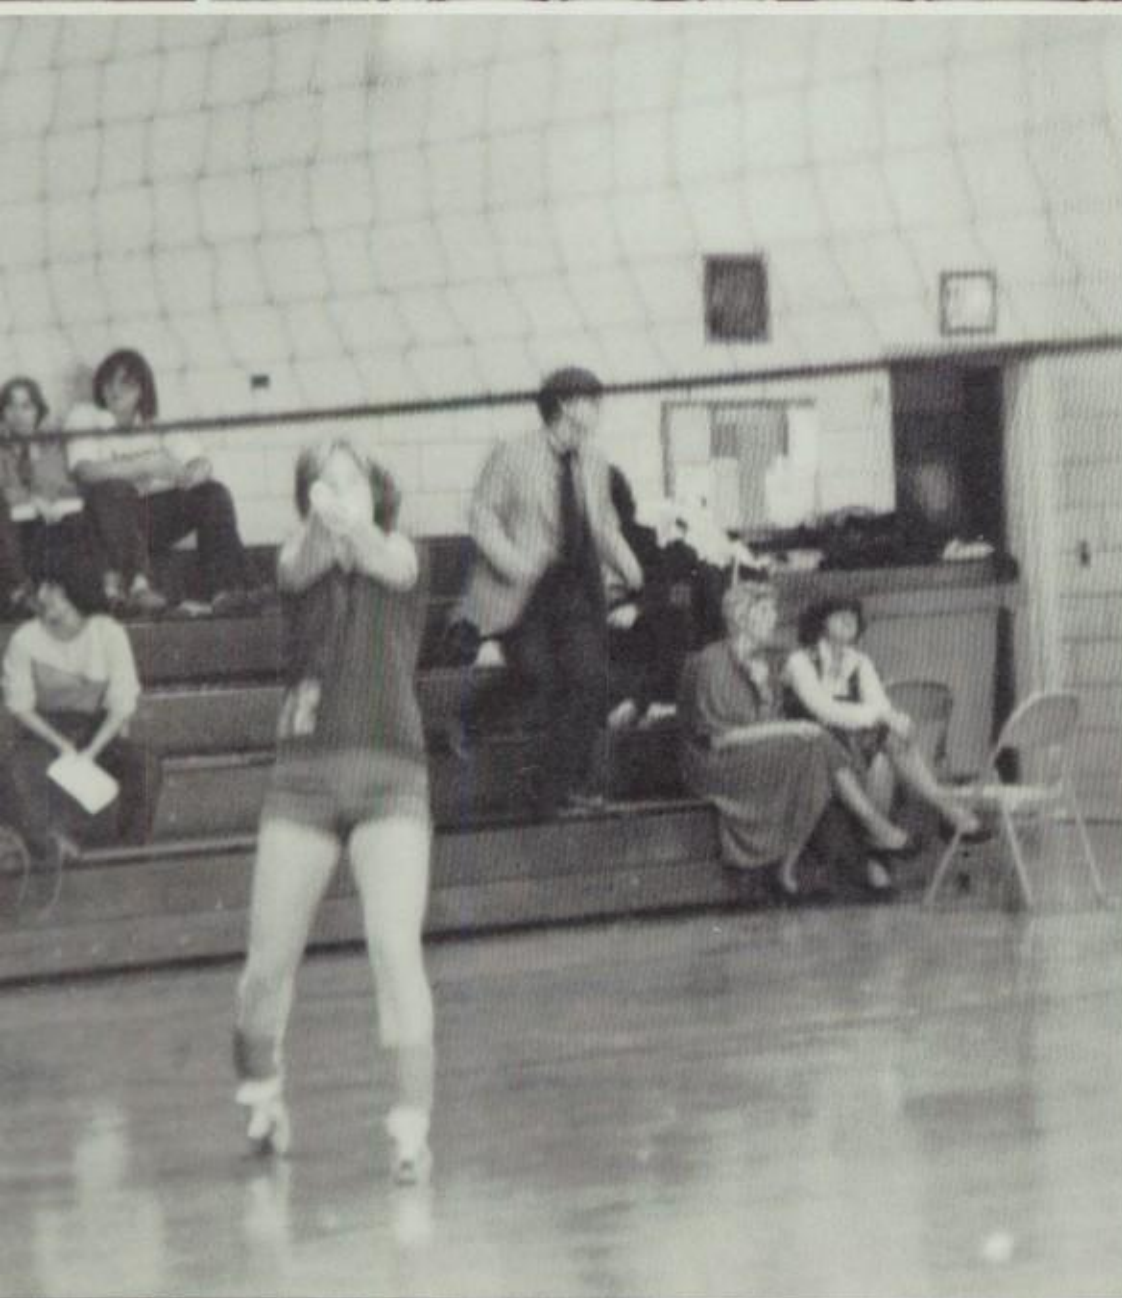

Love is not what the competition has for the Bishop Kearney Tennis Team. This continually improving group of players is beginning to awe their adversaries with their skilled play.

SPIKE IT!!!

Miss Hansen with members of the Volleyball Team

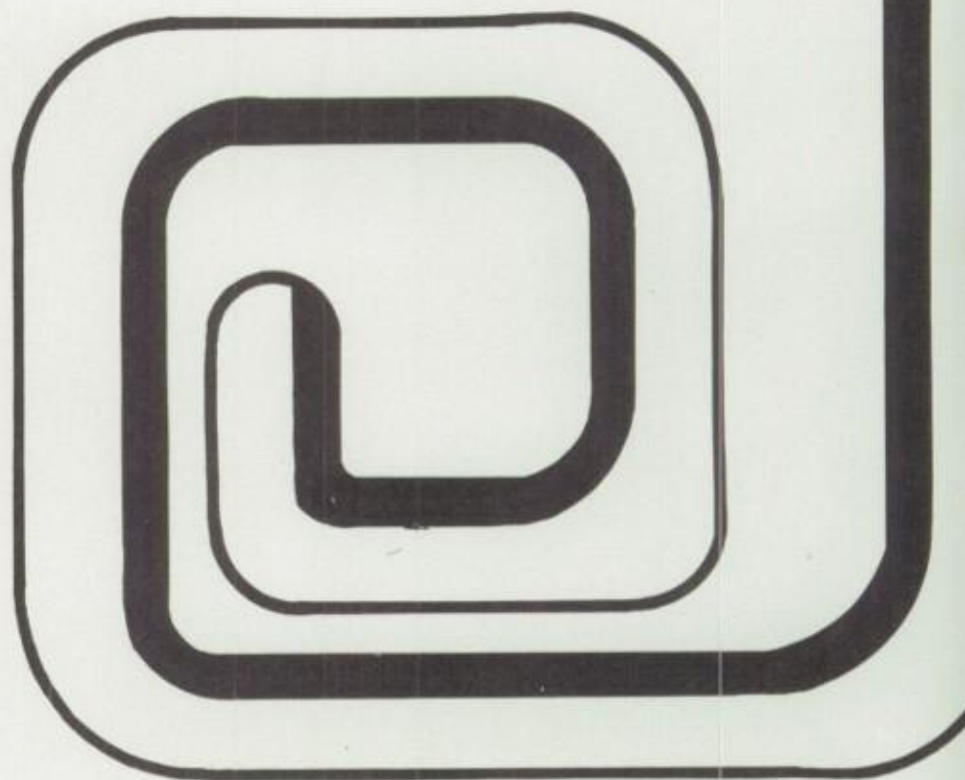

SWISH!

Bishop Kearney's Varsity Basketball Team, under the guidance of Miss Hansen, has continually been one of the best in Brooklyn. First in their division last year, they are well on their way to another successful season.

JUMP UP HIGH

Sr. Helen Maureen and Miss Mulligan with members of the Junior Varsity Basketball Team.

Junior Varsity Cheerleaders
Miss Gerlach, moderator

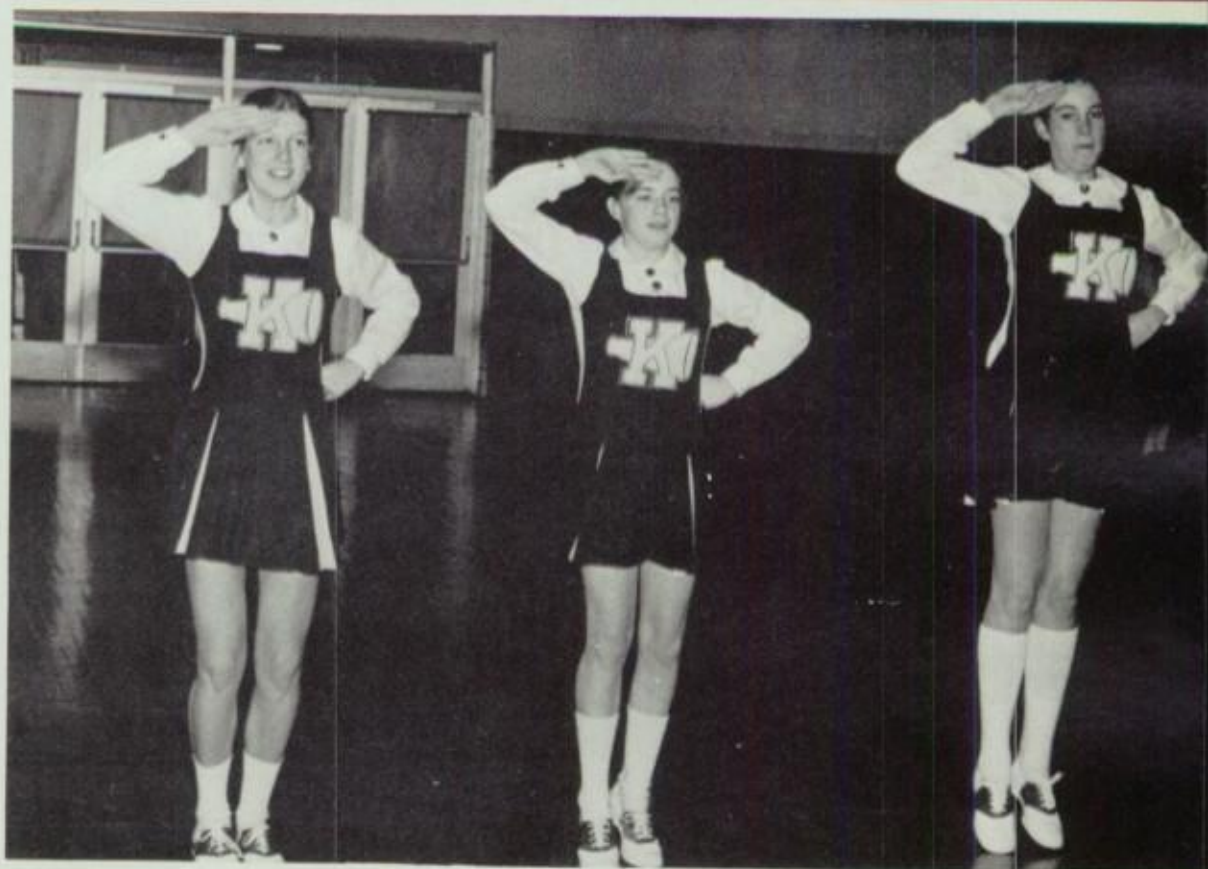

AND THE SPIRIT SPREADS

ROWDIE

That is what the B.K. Cheerleaders are. They are also very good. Always the measure against which other teams must prove themselves, the cheerleaders add spirit and life to the Varsity Basketball games.

WE'RE HAVING A PARTY

SENIOR RETREAT

Looking through our Memorare
We recall our years in Kearney.
We think about the people we've met
And the good times we've shared.
We have all made special friends,
And although they will soon be gone,
They will not be forgotten
For as long as we live on
Our memories will never die.

In building a sandcastle, remember to
build on a solid base or it may
crumble and the sand fly away. I

 happiness, for today is yesterday's
 dream and tomorrow's future. All my
 thanks and love, Mom, Dad and
 Jeannine.

Mary Tafuri
 Take your time . . . Think a lot
 Think of everything you've got, cause
 you will still be here tomorrow but
 your dreams may not. Thanks Mom
 and Dad.

Joanne Terlato
 Well, here it is, the end of my high
 school years. I have had my ups, my
 downs, but all in all it has been great.
 Thank you Mom, Dad and John for
 just being there and sharing it all with
 me. I love you.

Susan M. Testa
 Far away, there in the sunshine, are
 my highest aspirations. I may not
 reach them, but I can look up and
 see their beauty, believe in them, and
 try to follow where they lead.

Eileen Tobin
 Oh mirror in the sky what is love
 can the child within my heart rise
 above?
 Can I sail through the changing ocean
 tide?
 Can I handle the season of my life?

Angela Maria Tornello

The greatest happiness of life is the conviction that we are loved, loved for ourselves, or rather loved in spite of ourselves.
Thank you Mom, I love you very much!

Jo Ann Tripi

Life is tough but it's just enough.
You got so much to do and only so many hours in a day, but you know that when the truth is told that you can get what you want or you can just get old. Billy Joel

Paula Troina

Each parting tear tells a story and is transparent, for I cannot hide the love I've found. Each tear glistens with secrets and smiles treasured in my heart, and sparkles with a light calling me forward to touch new adventures.

Laura Tufariello

A fool will lose tomorrow reaching back for yesterday . . . I hope you don't mind that I put down in words how wonderful life is when you're in the world. Mom & Dad . . . I'll stand here and remember just how good it's been . . . I loved these days.

Genene Troiano

When you know you have a real friend somewhere, Suddenly, all the rest are so much easier to find,
And the only way to find a friend is to be one yourself. Thanks Mom and Dad

JoAnne Turiano

No man is meant to be an island. We weren't born to be alone. Life is made for sharing and love will someday find you home. Thank you Mom and Dad for giving me everything I have today.

Claire Vaccaro

Always remember to forget the troubles that passed away; But never forget to remember the memories that come each day.

Frances T. Vella

Let the disappointments pass. Let the laughter fill your glass. Let your illusions last until they shatter. Whatever you might hope to find among the thoughts that crowd your mind, there won't be many that ever really matter.

Laura Volpe

Don't be dismayed at good-byes. A farewell is necessary before you can meet again. And meeting again, after moments or lifetimes, is certain for those who are friends.

Debra Vasta

Yesterday is but a memory,
Tomorrow an uncharted course,
So live today that it will be,
A memory without remorse.

MaryAnn Volpe
If you love someone set them free. If
you reach out your hand and they
return to you, you know they will be
yours forever. If they don't, they
never were.

Anna Maria Vozzo
"If I could save time in a bottle
these moments would last forever."
"Miss you all"

Catherine Walsh
Yesterday's hurt is today's
understanding rewoven into
tomorrow's love.

Joanne Walsh
When you look over your shoulder
And you see the life that you've left
behind,
When you think it over, do you ever
wonder what it is that holds your life
so close to mine? J. Browne

Kelly Susan Ward
Happiness is inward and not outward,
and so it does not depend on what
we have but on what we are. Mom,
Dad and Christine, I love you very
much, you mean everything to me.
Thanks!

Laurie Whalen
 The truth is that there is only one
 terminal dignity-love. And the story
 of love is not important-What is
 important is that one is capable of
 love. Thanks Mom and Dad for
 showing me how to love and for
 making my life worth living.

Francine White
 If I could save time in a bottle, the
 first thing that I'd like to do is to
 save everyday till eternity passes and
 then spend the rest here with you!

Margaret White
 Don't walk in front of me . . . I may
 not follow.
 Don't walk behind me . . . I may not
 lead.
 Just walk beside me, and be my
 friend.

Patricia E. Wiese
 The best theology is rather a divine
 life than a divine knowledge.
 Jeremy Taylor

Jacqueline D. Williams
 God, grant me the serenity to accept
 the things I cannot change,
 The courage to change those that I
 can,
 And the wisdom to know the
 difference.

Elizabeth Zimmerman

You've been working hard but will you always stay-someone else's dream of who you are. Do what's good for you or you're not good for anybody. They never told you the price you pay for things that you might have done. Thanks Mom.

Teresa Zucker

Destiny is not a matter of chance, it is a matter of choice. It is not a thing to be looked for, it is a thing to be achieved.

Maria Zunno

The world is merely a bridge; We are to pass over it and not to build your dwellings on it.

Thanks Mom and Dad.
